Chief Clerk

Sir
I am sorry that I must again bring to your notice the fact that J. W. Snyder has not yet paid my bill which he promised you to do some months ago. He has made promises to me since you spoke to him about it. But he has failed to keep his word each time I am positive he does not want to pay it at all unless he is compelled to do so

RG104 E-1 Box 186

I would be much
pleased if you
would advise him
to pay me as soon
as he can as so
and oblige

very Respectfully
Yours

Sir

I am sorry that I must again bring to your notice the fact that J.W. Snyder has not yet paid my bill which he promised you to do some months ago. He has made promises to me since you spoke to him about it, but he has failed to keep his word each time I am positive he does not want to pay it at all unless he is compelled to do so.

I would be much pleased if you would advise him to pay me as soon as he can do so and oblige.

Very Respectfully,
Yours
